

INT. LLIAM'S APARTMENT - KITCHEN - NIGHT

SHOT OF: Cocktail weenies. A fly SHAKES it's wings and scrapes it's legs as it crawls all over it.

TIM(V.O)
Yea, so, the burrata and Sauvignon
Blanc pairing in Florence was just.
Unbelievable.

PETE and TIM drink by the fridge. Pete has a bottle of champagne in one hand and stares intensely at the other.

PETE
Yea, that's... Burratta's... King of
the cheeses, if you... if you ask me.

Beat.

TIM
You feeling ok?

PETE
Yea... It's just.
(looking up, annoyed)
Brian gave me these truffles and I
think they're duds. Cost me, like,
fifty bucks.

TIM
Oh, now truffles. Don't get me sta--
Shaved over pasta? Forget it. That's
some Italian FUNK. I--

LLIAM(O.S)
Hey, guys, the ball's dropping!

INT. LLIAM'S APARTMENT - LIVING ROOM - NIGHT

ANGLE ON: The ball dropping on TV.

EVERYONE(O.S)
3..2..1..Happy New Year!

People in Times Square lose their shit. Auld Lang Syne plays.
We hear glasses CLINK.

CUT TO:

LLIAM, VIV, JAMIE, Tim, and Pete surround the television.
Champagne in all of their hands.

LLIAM

Say, I have a fun little activity. Why don't we go around the room and say what our New Years' resolutions are, huh?

Viv ROLLS her eyes.

FATHER TIME(O.S)

Freeze.

Everyone freezes. FATHER TIME walks in dressed in a blue robe carrying a scythe.

FATHER TIME

Ahh, the New Years Resolution. A fresh start. Recognizing that your former garbage self could use some revamping... Unfreeze.

Everyone's still frozen.

FATHER TIME(CONT'D)

Wh-- I. I said unfreeze!

Everyone unfreezes.

LLIAM

We'll start with you, Viv.

VIV

Umm. Well, it's nothing crazy. I'd definitely like to read more books. Maybe travel a little more. That sort of stuff.

FATHER TIME

On March 8th, Viv scrolled through her phone while the Travel Channel was on in the background. Her feet were perched upon a table that had some books on it. This was the closest she got.

LLIAM

(mushy)

And I can't wait to join you on all of your travels.

FATHER TIME

They broke up on January 9th.

LLIAM
How about you, Tim?

TIM
Well, Jamie's always on me about
losing some L-B's.

Tim pats his gut. Everyone CHUCKLES.

TIM(CONT'D)
But, other than that, I'd like to get
my sports podcast rolling. I actually,
uh, have a pretty big company looking
to drop some ads on it, so. Stay
tuned.

FATHER TIME
On August 16th, Tim's podcast had the
most listeners it'll ever have. Fifty-
One. Oh, and that big company was
Dicks Sporting Goods. Unfortunately,
Dicks was shut down because people
found the name "too graphic". Tim also
gained 7 pounds.

LLIAM
That's awesome, man! Send me the link,
I'll check it out.

FATHER TIME
He never did.

JAMIE
I guess I'm next. Uh, I've been
thinking about getting into
meditation. Drinking more tea. Maybe
cut back on the pot smoking. Gotta
start thinking about that career.

Jamie CHUCKLES.

FATHER TIME
Jamie actually started meditating and
drinking more tea. But she remained
stoned throughout. No career yet.

LLIAM
Pete?

PETE
Me? Well, I still remain on the
(MORE)

PETE (CONT'D)
lookout for a future Ex Mrs. Nolan.
(chuckles)
Other than that, I have the same
Resolution every year. To remain happy
and healthy... while also destroying
my liver!

Everyone LAUGHS. Lliam laughs a bit too long.

Everyone, including Father Time, stares until he stops.

LLIAM
(laughing)
Self...Self-deprecation. Love it.

FATHER TIME
Pete ended up meeting the love of his
life in Alcoholics Anonymous on
February 13th.

LLIAM
(ending laughter)
And mine... is to strengthen my
relationships. And host this party
every year. I love you guys.

Everyone smiles and cheers. Father Time just SIGHS. A toilet
FLUSHES. BRIAN walks out of the bathroom.

BRIAN
Woof. Truffles and cocktail weenies do
not mix.

Brian looks over at Father Time.

BRIAN(CONT'D)
Woah, who invited Dumbledore?

FATHER TIME
Wha-- You... you can see me?

BRIAN
(chuckles)
Uh. Yea. You're pretty noticeable,
guy. Is that... is that a sickle?

Father Time just stares at Brian for a beat. He quickly
raises his arms.

FATHER TIME

Sleep!

Brain passes out on the floor.
