

COLD OPEN

EXT. OCEAN - DAY

Seagulls soar over a large semi-deflated life raft. The raft bobs up and down as the unforgiving sun shines down upon it.

Empty airplane meals and peanut shells are dispersed on the floor. Eight-ounce water bottles are stacked in a wet box.

BRIANNA (12), Australian, sunburnt, ratty hair, torn up clothes covered in dry salt, draws a detailed sketch of a seagull in her journal. KYLE (44), American, sunburnt, five o'clock shadow, adjusts the collared shirt wrapped around his balding head on the opposite side of the raft.

KYLE

So, uh. How's that journal coming along? Jotting down anything... Spicy?

Brianna gives Kyle a look.

BRIANNA

Yea. Writing about the origin story of the chili pepper.

KYLE

Dear journal. Day three. Still finding plane debris floating here and there. I know people appreciate the ocean for its vast beauty, but I'm over this shit.

Brianna cracks a smile.

BRIANNA

The sweaty stranger across from me continues to keep hope alive, but I can tell you what has no hope. His disturbing flab melting over his khakis.

KYLE

Woah! Brianna shows some life with a zinger!

Brianna LAUGHS. Kyle looks at his gut and out at the ocean.

KYLE(CONT'D)

(under his breath)

Thought that one up a bit too quick.

Kyle PERKS up. He scrambles to the edge of the raft.

In the distance, an island comes into view.

EXT. ISLAND - DAY

Kyle and Brianna drag the boat to the edge of the beach. Kyle LAUGHS and flops onto the sand. He jolts up and wipes himself off.

KYLE
(grossed out)
Eghhh, I don't know why I did that.
Feel like a chicken parm.

Brianna admires the palm trees and tropical foliage across the island. Branches CRACK. Brianna squints and sees a shadow quickly move from tree to tree.

Kyle walks next to her.

KYLE(CONT'D)
Look at all this. Makes it seem like
the devastation we experienced was all
worth it, huh?

Kyle CHUCKLES. Brianna keeps her focus on the trees.

KYLE(CONT'D)
(clears throat)
I was just. That was a joke.

ZAZU, a Capuchin monkey, hops down onto the beach.

BRIANNA
Woah, what's that?!

Brianna approaches Zazu. Kyle pulls Brianna back.

KYLE
Don't touch it! That Chimpanzee, or
uh. Marmaduke? Whatever it is. It
could be dangerous. I read they even
know how to pickpocket.

Brianna shakes free of Kyle's grasp.

BRIANNA
I appreciate the useless factoid, Jane
Goodall, but I don't need your help.

Kyle kneels down and looks Brianna in the eyes.

KYLE
I'm sorry, I just. Ever since the
crash... I feel like I need to protect
you. We need to protect each oth--

Kyle JERKS his head. A dart protrudes from his neck.

KYLE(CONT'D)
Ow! What the f--

Zazu holds a small bamboo stick to its mouth. Kyle awkwardly
side-eyes the dart and pulls it out.

KYLE(CONT'D)
Did that lemur just blow a god damn
dart in my neck?!

Multiple WILD CHILDREN sprint out of the woods. War-painted
faces. Various degrees of hand-me-down clothing in all
different colors, shapes, and sizes.

The wild children circle Brianna and Kyle. Spears and shanks
decorated in multi-colored feathers raised in the air. FLIP
(9), a small girl with an oversized t-shirt and a raspy
voice, lets out a WAR CRY, but then trips and falls.

FLIP
Dangit!

Brianna turns to run, but bumps into GROG (13), a gargantuan
man-child with multiple chins and an underbite. Grog grabs
hold of Brianna and turns her around to see Kyle surrounded.

KYLE
Don't hurt us! We just washed u--
Wait... Are you all... children?

The wild children grimace at Kyle.

KYLE(CONT'D)
(chuckles)
Oh, thank god.
(to Brianna)
It's alright. I don't think they'll
hurt u-

A small ax flies into Kyle's thigh.

KYLE(CONT'D)
I was wrong!

The wild children converge on to Kyle.

WILD CHILD 1
I call his shirt!

WILD CHILD 2
I want that belt!

FLIP
I'll preserve some fat for Chuck to
cook with!

The children stop the massacre and step back with whatever they took from Kyle. Grog drags Kyle's lifeless body into the ocean followed by a trail of blood.

ABBY (15), wild hair, athletic and scarred up, wipes the blood off of her spear as Zazu climbs on her shoulder.

Brianna throws her arms over her face.

BRIANNA
Please! Don't kill me! I can... I'll
be your servant! I'll bathe your
monkey for you! I'll be the official
monkey bather--

ABBY
Woah, calm down. We're not going to
attack you.

BRIANNA
Y--You're not?

ABBY
Of course not! We sorta have a strict
policy on adults around here.
(chuckles)
Anyways... Welcome to paradise!

ABBY shows the island off like Vanna White.

END OF COLD OPEN

ACT ONE

EXT. FOREST - UPHILL - DAY

Abby leaps over bushes and ducks under branches as Brianna trips and gets whacked by the same obstacles. Zazu hops from tree to tree.

ABBY

You feeling better? That was a lot of puke.

BRIANNA

Yea, well, that was a lot of blood.

ABBY

(chuckles)

Yea.

(then)

By the way, that guy wasn't like, related to you or anything, right?

BRIANNA

Kyle? Ew. No. He just sat in between me and my Mom on the flight.

ABBY

Oh, good. That would have made things pretty awkward.

(then)

I'm Abby, by the way.

BRIANNA

Brianna.

Brianna watches all of the wild children in the distance as they make their way up the hillside.

BRIANNA(CONT'D)

So, you all live on this island... without any adults telling you what to do?

ABBY

Yup. We have the freedom to do whatever we want whenever we want.

BRIANNA

Wow. So... So I could just draw all day, stay up late, and flick boogers on the wall without catching a smack?

ABBY
(smiling)
Lofty dreams, but yea, flick your
boogers wherever you please.

Brianna picks her nose and flicks it at a tree.

BRIANNA
Ha! I've never felt so alive!

Abby stops short and holds her hand up. Brianna runs into Abby.

BRIANNA(CONT'D)
Ah, sorry. I--

Abby puts her hand over Brianna's mouth.

BRIANNA(CONT'D)
(muffled)
Eghh. Your hand smells like coconuts
and feet.

ABBY
Shh!!

Abby SNAGS an arrow out of the air before it catches Brianna in the face. Brianna's eyes WIDEN.

ABBY
(into the woods)
You'll have to do better than that, ya
little butthole!

Abby tosses the arrow and continues forward. Brianna looks around and follows.

BRIANNA
Did the forest just fire an arrow at
us because I flicked my booger on it?!
I didn't mean to piss the forest off!

Brianna hugs a palm tree.

BRIANNA(CONT'D)
I'll never disrespect you again.

ABBY
Nah. That was just a former member of
our commune that lost his mind and
went rogue.

(brushing it off)
C'mon, it's this way.

EXT. FOREST - TOP OF A MOUNTAIN - CONTINUOUS

Abby leaps on a boulder and helps Brianna on top. Brianna collapses on the boulder.

BRIANNA
(breathing heavily)
I'm done. This boulder is my new home
now.

ABBY
Don't worry, we're almost there.

BRIANNA
(breathing heavily)
Oh, thank god.

Abby holds branches aside.

ABBY
Check this out.

Brianna drags herself up and sees a beautiful crystal blue lagoon next to a small village of treehouses and huts.

BRIANNA
Can't help but notice how far off in
the distance that looks.

EXT. COMMUNE - CONTINUOUS

Children zipline from tree to tree and walk around barefoot through the dirt and sand. They throw homemade ninja stars, wrestle, and play with rusty toys. Everyone momentarily stops and watches Brianna walk by.

Brianna gets closer to Abby.

BRIANNA
Why's everyone staring?

ABBY
Don't worry about them. It's been a
while since we've had any outsiders
around here.

Brianna sees HAM (12), chunky and awkward, in a mud pit examining a colorful caterpillar. He sniffs the bug, then

licks it.

BRIANNA
Can't imagine why.

EXT. COMMUNE - LUDWIGS HUT - CONTINUOUS

Abby waves to LUDWIG (14), paint-covered overalls and thick glasses, as he studies an image on a boulder.

ABBY
(sign language)
Hey! Looks great!

LUDWIG
(sign language)
Thanks. It represents our escape from
the totalitarian regime that kept us
blind to reality with its narrow-
minded ideologies.

Abby cocks her head.

ANGLE ON: A painting of a dog wearing sunglasses throwing up
the "Shaka" hand gesture as it surfs a large wave.

ABBY
(sign language)
That's deep.

BRIANNA
Woah, you know sign language? Were
your parents deaf or something?

ABBY
Nah, I'm just cool.

Abby and Ludwig sign back and forth.

ABBY(CONT'D)
Alright! He'll set up your hut after
he's finished his... interesting
metaphor.

BRIANNA
Sounds good to me. Where to next? I
was thinking about trying out those
ziplines. Or maybe--

ABBY
(chuckles)
We'll get to all of that in due time.

BRIANNA
Right. Right. No need to get ahead of
ourselves.

Abby SNIFFS the air.

ABBY
Smell that?

BRIANNA
(nervous)
No I didn't.

ABBY
What?... No, I think Chuck's cooking
some lunch. You hungry?

BRIANNA
Oh, starving! My diet's consisted only
of airplane meals and troop waffles.

EXT. COMMUNE - COOKING AREA - CONTINUOUS

Abby and Brianna walk up to CHUCK (13), southern, shaved head
with a few whiskers above his upper lip, wipes blood onto his
apron as he examines skewered meat near a fire.

BRIANNA
Is that... Kyle?

ABBY
Don't be ridiculous. We're not
cannibals.

Grog and Flip walk up to Chuck with a greasy sack.

FLIP
Sup, Chuck. Got a load o' lard for ya.

ABBY
(to Brianna)
Well. I didn't say we weren't
resourceful.

Chuck examines the bag.

CHUCK

Huh. Who needs that Jenny Craig when ya got Flip cuttin' off the LB's fer ya.

ABBY

(to Grog and Flip)

Oh, that reminds me, would you guys mind hunting down a boar for the full moon feast tonight?

FLIP

Ah, c'mon! Grog and I were going to throw shells at pelicans!

GROG

Grog have high score.

Abby kneels down to get to Flip's eye level.

ABBY

I'd really appreciate it if you did this for us. You guys are the best hunters we have.

FLIP

(sighs)

Grog and I do have a knack for slaughtering.

GROG

(smiling)

Ok, Abby. We get boar.

EXT. COMMUNE - TRADING AREA - CONTINUOUS

A hut by the lagoon with marijuana plants growing on the side. An orange and white lifeboat is tied up next to it. The side of the boat reads "**CASSANDRA'S CATHOLIC CRUISE LINE.**"

VOX (16), a long-haired shirtless hippie, smokes a joint outside the hut window. Abby and Brianna walk up to the window with skewered meat. Vox grins as smoke blows out of his nose.

VOX

What's happenin', Ab?

ABBY

Ah, you know. L-I-V-I-N.

(then)

Found a stray roaming the beach.

Abby points to Brianna. Brianna smiles awkwardly and waves.

VOX
 (to Brianna)
 Right on, little vagabond.
 (to Abby)
 Got your order all set.

Vox goes out of view and then returns with a paper bag.

ABBY
 My man. Would you mind doing me a
 solid and head back to the mainland?
 We could use some wine for tonight.

VOX
 I gotchu, baby. The liquor
 distributor's a fan of this new strain
 I've been growin'.

Vox looks at the sun and at his joint.

VOX(CONT'D)
 I'll finish this bad boy and head out.
 Should make it back in time.

BRIANNA
 Wait... you guys have a boat to leave
 the island?

Brianna stares at the lifeboat.

VOX
 Mostly to get meds and supplies. Or,
 in Abby's case...

ABBY
 Let's just say palm leaves aren't
 very... absorbant.

END OF ACT ONE

ACT TWO

EXT. COMMUNE - FIGHTING PIT - DAY

Abby and Brianna eat skewered meat as they watch PO (13) and ZIM (13) wrestle. Abby tosses some meat to Zazu.

ABBY

What do you think? Pretty sweet setup
we have here, right?

BRIANNA

Totally. Especially this pit of...
extreme violence.

Po turns purple while Zim has her in a headlock. Po tosses sand into Zim's eyes. Zim SCREECH'S and grabs his face.

ABBY

Figure after we finish eating, you and
I will head into the forest to--

BRIANNA

Adventure?!

ABBY

(chuckles)
We're just going to collect some
things for tonight's feast.

BRIANNA

(bummed out)
Oh. That's not super exciting.
(snaps out of it)
That's fine! That's fine. We can make
an adventure out of that. No problem.

A WHISTLE comes from above. Abby looks up at the treehouse. FRINGE (15), Black girl with a purple mohawk, nods for Abby to come up.

ABBY

Love the enthusiasm!
(then)
I'll be right back.

Abby leaves. Sand gets kicked onto Brianna's food.

BRIANNA

(to Zazu)
Kyle's back fat wasn't very

appetizing, anyway.

INT. TREE HOUSE - CONTINUOUS

DOOBIE (16), greasy hair and a stained shirt, plays with a gameboy as his sister JINX (16), multi-colored hair and an outfit straight from the 80's, reads a *Vogue* magazine. Fringe walks in from the balcony as Abby climbs up the rope ladder.

FRINGE

Take care of the situation?

Abby SMILES then salutes.

ABBY

The trespasser has been terminated. We can carry on with our tom-foolery.

COLT(O.S)

What about the new girl?

COLT (17), very short with a jacked-up buzzcut and a cut across his eye, sharpens a knife in the corner.

ABBY

What about her?

COLT

We watched you guys come in. Seems skittish... Can we trust her?

ABBY

She's just getting acclimated to her new surroundings. You remember how we all were when we first got here.

DOOBIE

Sounds suspect to me.

ABBY

Doobie, you literally shat your pants after a gecko got into your sleeping bag on the first night.

Jinx LAUGHS.

JINX

Totes forgot about that. We had to throw it into the ocean because it was so rank.

DOOBIE

Fuck off! That thing could have turned into a Godzilla!

ABBY

Yea, because there's a whole bunch of nuclear warfare going on around here.

FRINGE

And Godzilla was a komodo dragon, you dope.

Doobie curses under his breath and goes back to his game.

COLT

Hey, I'm happy she's here. We could use the help. I just want to make sure we don't have another situation like your brother.

FRINGE

Dude.

ABBY

(to Fringe)

It's fine.

(to Colt)

Trust me, I won't let that happen again. Go back to your corner and sharpen your knife all ominously, ya creep.

Abby climbs down the ladder. Doobie slams the Gameboy down.

DUB

Goddammit! Friggin' Koopa shell!

EXT. FOREST - DAY

Palm trees and vines bend over an open field. A wild boar SNORTS and GROWLS as it grazes.

Flip quietly pushes leaves aside.

FLIP

(whisper)

You wait here. I'll sneak around the other side so we can flank it.

GROG
(whisper)
Yes. Grog will shank boar.

FLIP
(whisper)
No. Flank. Like in the war movies. You know. Flank the enemy.

GROG
(whisper)
Grog no understand.

FLIP
(whisper)
Jesus Christ. Just wait for me to go on the other side and I'll give the attack signal.

GROG
(whisper)
What is signal?

FLIP
(whisper)
I'll caw. Like a bird. Like--

Flip CAWS quietly.

FLIP(CONT'D)
(whisper)
Like that.

GROG
(chuckles)
Flip sound just like bird.

FLIP
(whisper)
Thanks. I've been practicing. Ok. I'm going to sneak ov--

GROG
(whisper)
Flip.

FLIP
(whisper)
What?!

GROG

Boar gone.

The field is empty.

FLIP

Son of a--

EXT. COMMUNE - FIGHTING PIT - CONTINUOUS

Brianna's drawing Po and Zim in a wrestling pose.

BRIANNA

Stop moving, Po! I'm trying to get your nose right.

ZIM

Make sure you get the definition of my pectoral muscles.

PO

Pectoral muscles? Those are straight-up man boobies.

Abby walks over. Zazu follows.

ABBY

Alright, not sure what's happening here, but we should get moving.

EXT. FOREST - DAY

ADVENTURE SEQUENCE:

- Abby grabs the handles for the zipline. Zazu's perched on top of Abby's shoulder. Brianna wraps her arms around Abby. They LEAP and head into the forest. Brianna sees the beauty of the commune and approaching forest through a bird's eye. She SMILES. They hit a bump. Zazu bounces off of Abby and grabs onto Brianna's face, crotch first.

- Abby's on top of a tree knocking down coconuts. Brianna plays with Zazu. Abby points to the coconuts. Brianna SIGHS and collects them. Abby bashes a branch with multiple coconuts. Brianna gets cracked by the last one and falls. Zazu walks on top of Brianna, grabs a coconut, and leaves.

- Abby and Brianna pick exotic flowers near a waterfall. Abby hands a bunch to Brianna, who struggles to hold them all. A LARGE FOREIGN INSECT crawls out and pokes Brianna's neck with its stinger. Brianna PANICS and collapses. Zazu plucks the

insect from Brianna's neck and eats it.

EXT. FOREST - TREE - DAY

Flip and Grog sit on a tree branch above the boar. Flip holds a shank.

GROG
Grog's butt hurts.

FLIP
Our reputation is more important than
a sore butt. We'll wait until the
boar's directly below us, then stri--

The branch CRACKS. Grog CLAPS.

GROG
(laughs)
Flip good at mouth noises.

The branch SNAPS and they fall to the ground. The boar SQUEALS and runs away. Flip and Grog sit up and GROAN.

FLIP
UGH! This shouldn't be this hard!

Blood squirts into flips eye.

FLIP(CONT'D)
Ah, what the hell was that?

GROG
Shanked.

Grog points to Flips leg where the shank is lodged and squirting blood. Flip's eyes WIDEN.

FLIP
HOLY SHI--

EXT. WATERFALL - DAY

Abby stands knee-deep in a body of water yielding a spear. Brianna slowly opens her eyes and sits up.

Abby JABS the spear into the water and pulls out a fish.

ABBY
She awakens!

BRIANNA
What... What happened?

Abby tosses the fish next to Brianna.

ABBY
You got stung by an island hornet.
Oooo. Maybe the poison will grant you
its powers!

Brianna grabs her neck and feels a large bump.

BRIANNA
I've been poisoned?!

ABBY
(laughing)
Don't worry. Zazu sucked most of it
out.

Zazu lays on it's back with dilated pupils.

BRIANNA
I'm done! I've had it with this place!

ABBY
Woah. Relax.
(chuckles)
No need to get worked up. Wanna give
this a try? It's pretty therapeutic.

Abby points to the spear. Brianna gets up.

BRIANNA
I'm not going to relax! You told me
I'm free to do what I want whenever I
want, but all you've done is tell me
what to do and where to go!

ABBY
What? No. Brianna, I just wanted to--

BRIANNA
I wanted to have fun, but you forced
me into doing all of these chores a-a-
and all I have to show for it is a
pulsating lump on my neck and possible
hornet powers, which I admit, would be
pretty cool, but highly unlikely!!

Brianna heads toward the forest.

BRIANNA(CONT'D)
I'm going to get Vox to take me back
to the mainland. And if he won't take
me, I'll take myself!

ABBY
Wha-- No! You can't do that!

BRIANNA
Watch me!

Brianna goes into the forest. Abby goes to chase her, but
trips over Zazu.

ABBY
Ow! Dammit, Zazu!

EXT. FOREST - CONTINUOUS

Brianna frustratingly swats at vines and branches. She stops
to look around. She HEARS muffled conversation and heads in
that direction.

She walks through a tripwire that SNAPS and ZIPS. She looks
up to see a large boulder coming down on her. She jumps to
the side and rolls through a pile of twigs and leaves down
into a hidden hole.

Beat.

A boar SQUEALS and runs by with Flip SCREAMING on its back.

Beat.

Grog HUFFS and PUFFS as he waddles in the same direction.

END OF ACT TWO

ACT THREE

EXT. COMMUNE - TRADING AREA - CONTINUOUS

Abby runs up to the window. No boat. No Vox. A sign on the hut reads "**Back whenever.**"

INT. TREE HOUSE - CONTINUOUS

Doobie arm wrestles with Colt as Abby climbs up the ladder.

ABBY

Oh. Hey. Where's Fringe?

COLT

Sunbathing with Jinx.

DOOBIE

Jinx'll be bitching about her sunburn at the feast tonight. Bet.

ABBY

You guys haven't. Seen Brianna have you?

COLT

The new girl? No. Thought she was with you.

ABBY

Oh, yea, no. She was. She just, uh. Had to use the bathroom and I haven't seen her since.

DOOBIE

Weren't you guys getting fish by the lagoon?

(chuckles)

That's like. A giant toilet.

Abby and Colt GROAN. Doobie SLAMS Colt's arm down.

DOOBIE(CONT'D)

No mercy!

Colt shakes his head and looks over at Abby.

COLT

(stern)

You better find her. We don't need her stumbling upon something... dangerous.

Abby clenches her jaw, nods in agreement, and heads down.

Colt looks over at Doobie.

COLT(CONT'D)

Dude, are you pissing in the lagoon?

DOOBIE

Wha-- No, I just meant--

COLT

(shaking his head)

We dedicated a whole part of the island to that sort of shit. C'mon, man.

INT. HOLE - DAY

Hardened mud molded into furniture and home decor. Stacks of torn-up books, hand-made weapons, and a voodoo doll collection sits in the corner.

Brianna opens her eyes and sees ROGUE (12) dirt-clumped hair and twitchy eyes, gnawing on the wing of a seagull in the middle of the room. He snaps his head in Brianna's direction and flashes a disturbing smile revealing blood and feathers.

ROGUE

(British accent)

Would you like a bit of gull?

Brianna scrambles to her feet and backs up against the wall.

Rogue CRACKS UP.

ROGUE(CONT'D)

Ah, dammit! We can't. Your face is like--

Rogue gets up and mimicks Brianna's horrified expression.

ROGUE(CONT'D)

Sorry, we were just having one of our goof abouts.

(to himself)

Good one, Rogue. Thanks, Rogue.

Rogue spits out the feathers.

BRIANNA

Huh, I take it you're the commune

member who... went rogue?

ROGUE

This one's quick! She'll be a great addition to the team.

Rogue plops onto a bed of palm leaves and dirt.

BRIANNA

Right. I'm just gonna. I'm gonna head out.

Brianna attempts to climb out of the hole, but continues to fall down.

BRIANNA(CONT'D)

Uhh. Would you mind--

ROGUE

Heard you going off on Abby up there. Quick question, after you somehow stole the boat and learned how to operate it... do you know where you'd even go?

BRIANNA

Wh-- Not exactly. But I'd figure it out.

ROGUE

Yup. Uhuh. Right. Here's the thing. You wouldn't? So we think you should stay and help us make this place what it was meant to be.

Rogue gets up and stares off into the distance.

ROGUE(CONT'D)

When we first got here, we dreamt of a world without any rules or responsibilities...

FLASH: Animated child-like drawings of kids playing.

ROGUE(V.O)

But as time went on. The bigger kids started giving us orders. They made us do things we didn't want to do whenever they wanted us to do them.

FLASH: A few of the faces grow red and angry. They hover

above the other's who look scared and sad.

ROGUE(V.O)
So we tried to stand up for the little
kids. To rebel against their rules.

FLASH: Rogue stands up on a box with an angry face and a fist
in the air.

ROGUE(V.O)
But they convinced the others into
thinking we were crazy... so we were
banished.

FLASH: Rogue gets hit with the rock and falls off the box. A
group of kids chase him into the forest.

BACK TO SCENE

Rogue continues to stare off into the distance.

ROGUE(CONT'D)
We promised ourselves that we would
change things back. The way they used
to be.

Brianna raises her eyebrow.

BRIANNA
How would you go about making these
changes?

ROGUE
By taking the big kids down... from
the inside.

Rogue hops in front of Brianna.

ROGUE(CONT'D)
So what do ya say?! Ya with us?!

Rogue's eyes twitch and has a goofy grin. Brianna ponders.

EXT. FOREST - EVENING

Abby cuts branches down with a home-made machete.

ABBY
Brianna!! Brianna, I'm sorry! Just
come back to the commune! Vox should
be back soon! We could get drunk on

wine and forget this whole thing
happened like our parents would do!
(to herself)
Well. At least mine did that.

BRIANNA(O.S)
No. Mine did that too.

Abby turns around. Brianna, covered in dirt, pushes branches to the side.

BRIANNA(CONT'D)
Then they'd make me go into my room
with headphones on as they... forgave
each other.

Abby runs over to Brianna.

`ABBY
Oh, thank g-- Are you ok? How did you
get so dirty?

BRIANNA
I went for a walk to clear my mind and
I, uh, tripped and fell. I'm fine
though.

ABBY
Look, I just wanted to sa--

BRIANNA
It's fine. Don't worry about it.

ABBY
No, it's not fine. It's true, we have
the freedom to do whatever we want
around here... but as time went on, we
learned that in order to carry on
living here, we all have to pitch in
and help each other. Can you accept
that?

BRIANNA
(smiling)
Yea... yea, I think I can.

ABBY
(smiling)
C'mon. We should head back an--

A boar SQUEALS and runs towards Abby and Brianna. Abby pushes

Brianna behind her and raises her machete.

As the boar get's closer, Flip let's out a WAR CRY and jumps down onto the boar with a spear. Flip twists the spear and looks up at Abby and Brianna.

FLIP
Let us feast!

EXT. COMMUNE - NIGHT

All of the kids dance around a large fire with coconuts in their hands. Chuck and Grog bring over the roasted boar to the middle of a table that's covered in beautiful tropical flowers. Vox passes a joint to Ludwig.

Jinx and Fringe stand by the fire. Jinx pokes her red skin and WINCES.

JINX
(to Fringe)
Ugh. This sucks! I look like a
freakin' lobster! You're so lucky you
don't burn.

Fringe raises her eyebrow and walks away.

Doobie CRACKS up as Colt chugs out of a coconut.

DOOBIE
I knew it! Pay up.

COLT
Pay up?

DOOBIE
I bet Jinx would complain about her
sunburn... I said. I said bet.

COLT
Yea, that's all you said. You didn't
even bet anyth--
(shaking head)
Let's just get shitfaced, alright?

DOOBIE
(chuckles)
Bet!

Abby pours wine into Brianna's coconut.

ABBY

See? Look around us. All of our hard work paid off.

BRIANNA

Yea, I suppose it was all worth it. I think I even feel my hornet powers flowing through my veins.

Abby LAUGHS.

ABBY

So... You think you'll stay?

Brianna looks out into the forest and sees Rogue in the shadows with a creepy smile giving a thumbs up.

BRIANNA

Yea. Yea, I think I'll stay.

END OF PILOT

Abby looks down at Brianna who looks disturbed as she holds the feet of an upside-down Ham.

HAM(O.S)

I almost got it! Wrap your arms around me and steady my torso!

FRINGE

Wow. The girl just gets here and you leave her alone with Ham?

ABBY

(chuckles)

Yea, he blindsided us. I should probably head back down to rescue her, but this is pretty amusing.

FRINGE

So... You know Colt's just looking out for what we have going here.

ABBY

I know. It's just. Does he have to be all creepy about it?

FRINGE

Yea, that whole knife sharpening thing

was weird.

ABBY

Right?

FRINGE

Pretty sure he was just cutting up a pineapple before you came up.

ABBY

Dude has a serious Napoleon complex.

FRINGE

Facts.

Fringe puts her hand on Abby's.

FRINGE(CONT'D)

We just want to make sure there won't be any other incidents... like your brother.

Abby looks at Fringe.

HAM(O.S)
Greetings.

HAM, pudgy and extremely awkward, approaches Brianna and Abby.

HAM(CON'T)
Abigail, I don't believe you've
introduced me to our new resident.

Abby ROLLS her eyes.

ABBY
Brianna. Ham. Ham. Brianna.

HAM
(to Brianna)
It is a pleasure.
(to Abby)
Abigail--

ABBY
Dude, stop. Stop calling me that.

HAM

Did you mention to Brianna that it was I who discovered her life raft from afar.

ABBY

(to Brianna)

Ham was the one who noticed some plane debris washing up on the shore, so he camped out on the beach for a couple of days.

HAM

Nothing but the lovely sounds of the ocean and milk from the teet of many coconuts.

BRIANNA

Mm. Nothing like coconut teet milk.

Brianna gives Abby a sharp look. Abby hustles toward the tree, turns around, shrugs, and mouths "SORRY".

HAM

So, tell me Brianna. What kind of specimens do you collect?

Abby and Brianna approach a stand by the lagoon.

It's a village with a bunch of youths. We meet some of the odd characters with different jobs. Including a cook, the odd rahul character (think of his job), a carpenter, and others.

We also meet the trader. He's a character that has access to the mainland. He trades his homegrown pot and mushrooms to the locals and gets basic things in return like toothpaste or whatever someone requests. He says all the things he has and then dives into the drugs. "Woah, she's only 12, man. Let's

atleast wait until she's 13" "Wait, how do you get all of these things" "I stole a boat in order to find this place and I use that to get back and forth to the mainland" "Wait, so you can bring me back to actual civilization?!" Trader and abby look at each other. "Uhh, well, that's not really--" Abby interrupts to introduce her to another person. It's the cook. Abby says it's tradition to throw a feast whenever a new comer is dropped into their arms. The cook asks what would be on the menu. Brianna could talk about what she's allergic to. The cook sends grog and flip to capture a boar for the feast.

As Brianna talks to the cook, Abby is summoned to a treehouse. In the treehouse is a few of the older teens. Around Abbys age. They ask her about this new kid. "Did I hear her ask about getting back to the mainland?" "Uh, yea, it's always something that people are curious about when they first get here. First day jitters. We all remember how we felt the first day we got here, right?" "Let's not dwell on the past and focus on what is" "Yea, because you literally shat yourself after eating some bad berries, Gunther" "Dammit, Abby, I. I hate when you bring that up!" "Give me a few hours with her." Abby walks onto the balcony "I'll show her what this place has to offer and she'll be one of us in no time" The other kid follows. They both look down on Brianna. "I hope you're right. You know what would have to happen if she attempted to leave." Tense moment *In the background "I didn't shit myself, I had the respect to go into the ocean!"*

ACT TWO

Abby shows Brianna what this place has to offer, so she takes her on an adventure and shows her the fun things to do. Shows her all of the activities:

They walk to a waterfall for cliff jumping. It's something everyone has done since coming here. Jumping into your new life. Jumping into the water to cleanse you of your past life. A very spiritual moment. Abby makes the leap. Brianna is horrified. She refuses to jump. She's traumatized by her past and the plane crash. "Ok, well, uh. I suppose you could just climb down and lightly splash into your new life"

They play volleyball, they do larping or arts and crafts that leads to larping.

Brianna fails multiple times and eventually wants to go back home. She breaks down after getting hurt during the larp. Goes on a rant saying the only reason they were on the flight was because her Father got a job in America and they were

moving there. Nothing good comes from change.

Shes told she can't leave.

She runs away and falls into a ditch which ends up being the rogue characters hideout.

The B story will be following Grog and Flip to try and catch the boar. The boar keeps outsmarting them and they also get in their own way.

ACT THREE

Brianna talks to the rogue character aka abbys brother. He convinces her to stay and that she can come here for alone time.

I understand that this place will take some getting used to... but you have to learn how to adapt. You can't go through life being afraid of every new situation you find yourself in. You have to face your fears.

During the feast, Brianna leaves a plate of food for the rogue character. Tying up that small story.
