

FADE IN:

EXT. DIVE BAR - NIGHT

Two BAR REGULARS are smoking cigarettes in the front. One of them flicks his onto the street, blows smoke, and heads inside.

INT. DIVE BAR - CONTINUOUS

A rough crowd. ROCK music blasts. The blue collar and the toothless are settled up at the bar. A BRO is by the pool table, looking at his phone. A BIKER is over at the juke box that's way too close to the dart board. The bar regular we met outside props up next to a DRUNK BEARDED MAN. The drunk bearded man gets up and stumbles into the bathroom.

INT. DIVE BAR - BATHROOM - CONTINUOUS

The bathroom walls are covered in graffiti, urine, and blood. The drunk bearded man has his hand on the wall while taking a piss at the urinal. Next to the urinal is a single bathroom stall with a door hanging by a screw. Four legs stick out from under it.

HIGH ANGLE -- Above the bathroom stall. ERIC PORTER, mid to late 20's, SNORTS and kicks his head back with a smile. Eric's a well read, decent looking guy, but compared to the other people who inhabit this bar, he's a stud. The WOMAN with him GIGGLES.

INT. DIVE BAR - BATHROOM STALL - CONTINUOUS

Eric holds up a small empty baggy.

ERIC
... And that's the last of it.

WOMAN
(flirty)
Hmmm. So what now?

ERIC
Well. What can two people, in a shitty
bathroom stall, do to pass the time?

WOMAN
Um, I don't know? Pee?

ERIC
What? No. I mean... just.

ERIC (CONT'D)
(sighs)
Take off your pants.

INT. DIVE BAR - BATHROOM - CONTINUOUS

There's a bit of COMMOTION and GIGGLING. Pants UNZIP. A pair of panties gets tossed over the stall and lands on the drunk bearded man's head.

DRUNK BEARDED MAN
Da fuck?

INT. DIVE BAR - MOMENTS LATER

Eric stumbles out of the bathroom, ZIPPING his pants. He heads over to his stool in the far corner.

The woman walks over to the drunk bearded man who is showing off the panties to a HEAVYSET MAN next to him.

WOMAN
Can I have those back?

DRUNK BEARDED MAN
(laughs)
Finders keepers.

The Bro by the pool table hustles over.

BRO
(to woman)
Why the fuck does he have your underwear?!
(to drunk bearded man)
Where did you get these?!

The drunk bearded man looks off into the distance.

DRUNK BEARDED MAN
They fell from the sky.

The Bro punches the drunk bearded man. The biker at the jukebox punches the bro. A fight breaks out. Eric finishes his beer. The bartender, ALLEN, mid 40's, tries to break it up. Taking advantage of the distraction, Eric leans over the bar, pouring himself another.

EXT. ESTABLISHING - PORTER RESIDENCE - DAY

A small suburban home. Brown grass and untamed bushes. We hear Eric VOMITING.

INT. ERIC'S ROOM - CONTINUOUS

A small minimalist room. A crappy laptop lays open on a desk in the corner. The walls are naked, aside from a few pictures above the desk of Hunter S. Thompson, Bukowski, Hemingway, Camus, etc. Across from the desk is a bed with a ruffled up comforter. Beer bottles and an ashtray are on the nightstand next to it.

O/S Eric continues to VOMIT in the toilet. It FLUSHES and he slowly walks out in his boxers and collapses onto the bed. He grabs one of the beer bottles and swigs what's left. He takes a clipped joint from the ashtray, lights it, and EXHALES. He rubs his face and SIGHS. He looks over at the laptop. He attempts to get up, but plops right back down.

INT. ERIC'S PARENTS ROOM - EVENING

The room is hazy with smoke. DIANE PORTER, a heavysset, raspy voiced woman in her early 50's, sits on a chair. Eric walks in. The room is completely dark aside from the light of the old TV. She's got an I.V in her arm connected to the medicine bag and pump on her hip. She hits a joint.

ERIC

It's like an opium den in here. Why the hell is it so dark?

Eric opens up the shades.

DIANE

The hell?! I liked it like that.

The room's a mess. Dirty plates and cups cover the night stands and table. Old newspapers and magazines are scattered near the bedside.

ERIC

God, now I remember why.

DIANE

It feels like a movie theatre.

ERIC

I'm getting more of a depressing vibe.

Eric nods towards the TV.

ERIC(CONT'D)
What's going on here?

DIANE
Some sort of show where a celebrity
sings and dances in a suit. Other
celebrities have to guess who it is.

ERIC
Sounds riveting.

DIANE
It's fucking stupid, is what it is...
but I can't stop watching.

Diane takes a hit and COUGHS a bunch. He takes the joint from her, clips it, and puts it in his pocket.

DIANE
Oh, wh--, c'mon!

ERIC
You've gotta stop smoking. You sound
like you swallowed nails and chased it
with... I don't know... cyanide.

Eric walks over to the night stand next to the bed and stacks some plates.

DIANE
... Bastard.

ERIC
I'm picking up some bud from Conor
later. I found a recipe for weed oil,
so I'll be able to cook some meals
with it. Bake up some brownies.

DIANE
What're you trying to fatten me up or
something?

ERIC
(laughs)
Mom, you're obese.

DIANE
Fuck you... I'm down 35 pounds.

Eric continues to clean.

ERIC

Hey, I loved it growing up. Chicken nuggets for breakfast. Ice cream for dinner. Kids were always jealous of me when I'd come into school with a box of Cap'n Crunch and a sleeve of Chips Ahoy. I'd trade some for Pokemon cards.

Eric takes a pill box out from the dresser.

ERIC(CONT'D)

Did you take your pills yet?

DIANE

No. Can't take em' too early. They always make me all loopy until I pass out.

He opens it up.

ERIC

Looks like you're almost out of the pain meds. Need you to write a note for a refill.

DIANE

Almost out? Already?

ERIC

You're popping them like candy.

Eric looks through the box. He takes two for himself and puts them in his jacket pocket. He brings some to his Mom with a glass of water. She takes them.

DIANE

Do you have any new stories for me?

ERIC

Nothing new. Having some trouble with my latest one, but I wrote a new poem.

DIANE

Let's hear it. I need a break from this god forsaken show.

ERIC

Well. It's kinda long. I'll give you
(MORE)

ERIC (CONT'D)
the ending.

Eric squats next to Nancy's chair.

ERIC(CONT'D)
*Whether you're ripping a bong/or
taking a shot/ "Fuck it"/ is
something/ you'll be
saying/quite/alot.*

Diane LAUGHS and then COUGHS.

DIANE
I love it. That's a winner.

ERIC
Thanks. I--

DIANE
--When you make it big, I want you to
promise me you'll get me out of this
hell hole. Spend my final days staring
out at the pacific with a hard drink
and a plate of taco's.

ERIC
(laughs)
Lofty dreams, Ma. Not sure if the
doctors would allow that though.

DIANE
I don't give a fuck what the doctors
say. You get me on that plane.

ERIC
Alright. You got yourself a deal...
One step at a time.

DIANE
Story of our lives, Eric.

Eric smiles.

DIANE(CONT'D)
Now... be a dear and get me a damn pop
tart.

INT. PORTER RESIDENCE - KITCHEN - CONTINUOUS

Eric walks into the kitchen. His father, BRIAN PORTER, mid 50's, is sitting at the kitchen table with some papers in front of him.

ERIC
Oh. Hey, uhh. Mom's pretty baked. We have any pop tarts left?

Eric puts the dishes in the sink. Brian's eyes never leave the papers.

BRIAN
I... I don't know.

Eric walks over to a cabinet and digs through it. Brian looks at Eric and SIGHS.

BRIAN
Sit down. I need to talk to you.

Eric grabs a pop tart from the cabinet and turns to leave.

ERIC
No can do. Gotta head out soon.

BRIAN
(angry)
Sit. Down.

Eric stops and walks over to the kitchen table. He grabs a seat.

ERIC
All you had to do was ask nicely.

BRIAN
Was that you I heard puking earlier?

ERIC
(laughs)
Oh. Yea. I, uhh, I had a long night.

BRIAN
On a Wednesday?

ERIC
Ain't no rest for the wicked, Pop.

BRIAN

Uhuh. Any closer to finding that job?

ERIC

Well, I sent some stories to websites and blogs. Waiting to hear back.

BRIAN

So what've you been doing for money?

ERIC

Uhh, prostitution, actually. Selling my body to the night.

Brian stares at Eric.

ERIC(CONT'D)

I don't know. I scrounge up some change. Odd jobs here and there. I always figure something out.

BRIAN

Right. You see these? These are bills. Medical, lighting, gas... that I'm paying for.

Eric looks at the bills and back at his father.

BRIAN(CONT'D)

I'm working doubles to keep the lights on for a selfish son that sleeps half the day and my catatonic wife.

ERIC

Well... I think you're being a little bit dramatic... Conor's weed is good, but, catatonic good?

BRIAN

Jesus Christ, don't you take anything seriously?! You're a god damn loser and you just smirk about it!

ERIC

Look, I'm sorry I haven't been able to contribute as much, but I'm trying. I recently submitted those stories, so I should be hearing back soo--

BRIAN

--Bullshit. You've been spewing that
(MORE)

BRIAN (CONT'D)
same nonsense since you graduated. You
get shitfaced every night and
contribute nothing.

ERIC
Nothing?! Pretty sure I'm the one
taking care of Mom! I take her to
appointments. I pick up her prescrip--

BRIAN
--So you can pocket some and sell them
to your friends! I'm not an idiot,
Eric!

Silence. Eric looks away.

BRIAN(CONT'D)
I can't keep breaking my back, day in
and day out. I'm... fucking tired.
And...
(sighs)
the Oncologist called... your mother's
cancer is spreading faster.

Eric looks up in shock.

BRIAN(CONT'D)
They estimate about... two weeks.

ERIC
What?! Real smooth transition! Wh-
You're just letting this happen?

Brian shakes his head.

BRIAN
It's been happening. We knew what we
were dealing with. We have to be
realistic. We've been delaying the
inevitable. When she passes... I'm
selling the house.

ERIC
Wh--what the hell am I supposed to
do?!

Brian gets up and heads towards another room.

BRIAN
I don't know, Eric. Maybe it's about
(MORE)

BRIAN (CONT'D)
time you grow the fuck up.

He walks out. Eric sits at the table. He looks towards his Mother's room.

INT. ERIC'S ROOM - MOMENTS LATER

Eric barges into his room. Eyes raw. He goes into a dresser drawer and takes out a shoebox. Inside is a rolled up twenty, some other crumpled up bills, empty small baggies, and some change. He counts it out and SIGHS. He grabs his laptop, sits on the bed, and opens it up. He takes the clipped joint from his pocket, lights it, and puts it in the ashtray. He's typing away on the keys and then contemplates. Smoke drifts in front of the screen. He takes a look at the joint.

EXT. SUBURBAN NEIGHBORHOOD - EVENING

Eric walks past a few houses and then enters--

INT. THOMPSON HOME - CONTINUOUS

Doilies and Jesus figurines on every table. Multiple cats roam the living room. MRS. THOMPSON, 80's, is sitting on the couch with one of them on her lap, watching TV.

ERIC
Hey, Mrs. Thompson.

She doesn't answer.

ERIC(CONT'D)
Hey, Mrs. Thompson!!

She SCREAMS.

ERIC(CONT'D)
Jeez... Sorry, I didn't mean to--

MRS. THOMPSON
--What?!

ERIC
I didn't mean to frighten you!!

MRS. THOMPSON
... you didn't.

The cat on her lap VOMITS a hairball. She doesn't notice. Eric grimaces.

ERIC
I'm gonna... I'm gonna head upstairs!

MRS. THOMPSON
We don't have any pears!

Eric goes up.

INT. CONORS ROOM - EVENING

A crappy room. Mattress on the floor. Mystery stains on the wall. CONOR THOMPSON, early 30's, throws ninja stars against a dart board with a blunt in his mouth. Another kid, LOU, sits on the mattress, playing video games. RAP music blasts.

CONOR
If you beat my score, I swear to god.

Eric walks in.

ERIC
Yo--

A ninja star comes inches away from his face. He jumps back.

ERIC(CONT'D)
--Christ!

CONOR
Woah-ho-ho! Just missed ya.

Conor takes the ninja stars off the board. He hands Eric the blunt.

CONOR(CONT'D)
My bad.

ERIC
What if I was your grandmother?!

CONOR
Her lazy ass don't come up here.

Eric takes a seat on the beanbag in the corner. Conor continues to throw the ninja stars.

ERIC
I think the word you're looking for is frail.

Eric nods towards Lou.

ERIC(CONT'D)
Who's this?

CONOR
Uhh, my cousin, Lou.

ERIC
(to Lou)
Sup, man?

No answer. His eyes stay fixed on the TV.

ERIC(CONT'D)
... Cool.
(to Conor)
So, where did you get those things?

CONOR
My neighbor had a yard sale. Check
this shit out.

Conor takes a Katana out of his closet. He unsheathes it and poses.

CONOR(CONT'D)
Twenty bucks for this and the ninja
stars, bro.

He slices downward.

ERIC
Why the hell would you get that?

CONOR
Why?... uhh, because it's badass! Look
at this thing! This could easily cut
someone's head off. You can also chop
up some lettuce and shit. I'll start
eating clean.

He swings it around and knocks a few things over.

ERIC
So... resourceful.

Lou makes a GUTTURAL NOISE. Eric and Conor look over at him.

ERIC(CONT'D)
Is... is he alright?

CONOR

Xanax.

ERIC

Gotcha... Oh. That reminds me...

Eric takes one of the pain meds from his pocket and tosses it to Conor.

ERIC(CONT'D)

Last weeks payment.

Conor raises one in the air and pops it.

CONOR

Cheers... You're not taking one?

ERIC

No, uh... My Dad caught on. Gotta save up what I can.

CONOR

Bummer.

Conor puts the sword back in its sheathe.

CONOR(CONT'D)

Oh, you see a black Volvo out front before you came in?

Eric hands Conor the blunt and shakes his head.

ERIC

Uhh, no, I don't think so.

CONOR

Good.

Conor puts the sword away and takes out a garbage bag of weed.

CONOR(CONT'D)

So, same shit?

ERIC

I actually need to talk to you about that. I was sort of wondering... If I could push for you.

CONOR

You wanna what?

ERIC
Push. Sell weed...

CONOR
Yea, I got that, Chapo... how much?

ERIC
About an ounce.

CONOR
(laughs)
What?! Get the fuck outta here.

ERIC
Look, I'm desperate, dude. I need to start making cash as soon as possible. I've got plenty of people to sell to. A few people from my old job. My cousins. I've got my buddy George and his little group.

CONOR
Little group?

ERIC
He's in AA.

CONOR
That's dark, bro.

Conor hands the blunt to Eric. Eric SHRUGS.

ERIC
Everyone needs a vice.

Conor thinks for a moment.

CONOR
Listen. I'll give it to you, but once I do, this, what we got here...

Conor does a hand motion between them.

CONOR(CONT'D)
Goes from friendship, to business.

ERIC
Aw, we're really friends?

Conor stares at him. Eric takes the hint.

CONOR

This shit isn't a joke. It's paranoia.
Cops. Competition... And the people
I'm involved with... they're not
messing around with fuckin' ninja
stars... and they ain't gonna miss.

Eric stares at the bag of weed. He nods.

LOU(O.S)

Beat your score.

Conor looks over.

CONOR

God dammit!

EXT. OUTSIDE OF CONORS HOUSE - DUSK

Eric's in the doorway.

ERIC

(yelling)

Have a good night, Mrs. Thompson!

MRS. THOMPSON(O.S)

Heh?

Eric walks out with a large backpack. He turns the corner and
makes a call. Behind him, a car slowly creeps.

ERIC

(into phone)

Hey, what's up, man?

(beat)

You still smoke?

(beat)

No, not crack. Weed.

(beat)

Question, when's your next meeting?

As he walks, he looks around.

ERIC(CONT'D)

(into phone)

Uhh, what? Sorry... when is it?

(beat)

Alright. I'll meet you there.

(beat)

At the meeting. Jesus Christ, dude.

Eric hangs up.

ERIC(CONT'D)

I do not miss that guys conversations.

Eric turns his head and notices a Volvo with tinted windows is behind him. He stares at it in the corner of his eye, but continues walking. The car isn't passing him.

Eric immediately runs in the opposite direction. The Volvo's lights go on and speeds towards Eric. He's in a full sprint. He sees the red and blue lights FLASHING off the nearby houses and hears the car getting closer.

He looks to his left and runs in that direction towards a backyard. The Volvo stops and a FIT UNDERCOVER COP runs out of the passenger side, chasing Eric. He runs through multiple yards, jumping fences. He falls over one, looks back, and sees the cop is close behind.

He takes off. He makes a right back into the street where he's met with the Volvo. He runs over the top of it. A hand comes out of the door and trips him, sending him over the trunk and onto the street, tearing up his jacket. Without skipping a beat, he gets up and runs. He hears a RUMBLING noise and looks up. A train! It's pulling up at the station near by. He's on pace with the train and heads up the station stairway.

He reaches the top of the stairs and then gets pulled backwards. He grabs the railing to keep his balance. He turns to see the runner stumbled up the stairs, but grabbed his bag, mid fall.

FIT UNDERCOVER COP

Drop the fuckin' bag!

Eric's pulling on the bag. The train arrives. The doors open. The other cop is heading up the stairs. Eric looks down and then up at the train.

TRAIN ROBOT

Stand clear of the closing doors,
please.

The cop gets a better grip on the bag and moves towards Eric. In a split second, Eric releases the bag off of his back, sending the cop down the stairs into the other as Eric slips in between the closing train doors.

INT. TRAIN - CONTINUOUS

Eric holds on to the bar, trying to catch his breath. The train pulls out. The cops run onto the platform. Eric LAUGHS and takes a seat. He stares out the window. His smile slowly turns into fear.

EXT. TRAIN STATION - NIGHT

Eric exits the train. He's looking around and has his collar popped up as if it's going to conceal his identity.

INT. DIVE BAR - NIGHT

The regular group of degenerates are at their stools. A FASHIONABLE WOMAN, late 40's with a gross amount of work done, is at the end of the bar. A WELL DRESSED MAN, early 50's with swagger, walks over from the jukebox and takes a seat next to her. CLASSICAL MUSIC plays. Eric barges in and plops on a stool in the corner. Allen's fixing one of the TV's.

ALLEN
You look like shit.

He pours Eric a beer and a shot of whiskey.

ERIC
It's been a day, man. I'm pretty fucked on, just, so many levels.

He takes the shot and sips the beer.

ALLEN
How so?

Eric uses his fingers to count.

ERIC
Hmm. Well, after today's events, I'll either be homeless, in jail, or, if I'm lucky, dead.

ALLEN
(chuckles)
You are fucked. That's eight bucks, by the way.

ERIC
(whispers)
God damn you.

Eric perks up.

ERIC(CONT'D)
(enthusiastically)
Wait, are you guys in need of a new
bartender by any chance?

ALLEN
And let you have access to all this
booze?... No.

Eric leans his head against the wall and closes his eyes. He
takes a deep breath.

ERIC
(under his breath)
What the fuck am I gonna do?

Eric jerks his head forward.

ERIC(CONT'D)
(annoyed)
What is this? What's going on with
this music? It's throwing me off.

ALLEN
Armani over there put it on.

Allen nods to the well dressed man at the end of the bar.
Eric looks over at the couple. They're looking back at him,
WHISPERING and GIGGLING.

ERIC
Huh. Don't get me wrong, it's nice
that they're trying to class the place
up, but it's like putting rainbow
sprinkles on a turd.

ALLEN
They could put on those Backstreet
Boys for all I care--

ERIC
--Really dating yourself with that
one--

ALLEN

--He handed me a couple crisp hundreds
and told me to keep the chardonnays
coming.

ERIC

(laughs)

Did you break out your finest box?

ALLEN

Had to go into storage to find one
that hasn't been sucked on.

ERIC

Did you get any info as to why they're
even here? They don't exactly fit in
with the rest of these winners.

Allen shakes his head.

ALLEN

Not really. Both have accents of some
kind. Could be German... or French. I
don't know. All sound the same to me.

ERIC

Always the cultured one, Allen.

ALLEN

Whatever. They've been here for about
an hour. Just sittin' there, giggling
and looking around.

ERIC

Ohhh. I see. This is, like, a trip to
the zoo for them.

Eric chugs his beer.

ERIC(CONT'D)

Might as well get hammered and give
em' a show. Could you pour me
another... on the house?

ALLEN

Heh. Fat chance.

ERIC

C'mon. Could be my last one ever!
We're currently celebrating my final
days as a free man...

ERIC (CONT'D)
(shrugs)
Or on earth.

He gets up and walks towards the bathroom.

DRUNKEN REGULAR(O.S)
Yea, me too!

ALLEN
Fuck off, Henry.

INT. DIVE BAR - BATHROOM - CONTINUOUS

Eric sways in front of the urinal. He's HUMMING *Backstreets Back* by the Backstreet Boys.

WELL DRESSED MAN
You like cocaine?

Eric jumps and gets a little pee on himself.

ERIC
Jesus!

WELL DRESSED MAN
Sorry. I did not mean to frighten you.

Eric cleans himself off.

ERIC
No, uh. It's cool... I just didn't
hear you com-- What did you just ask
me?

WELL DRESSED MAN
Cocaine? Do you like it?

The well dressed man takes a bag out and shakes it.

ERIC
Last time I accepted drugs from a
stranger in this bathroom, I had some
rectal bleeding. I'm gonna go out on a
limb and say that's not actually coke.

Eric walks towards the sink and looks at him in the mirror.

WELL DRESSED MAN
(snickering)
My name is Wulfgang. Now, I am no
(MORE)

WELL DRESSED MAN (CONT'D)
longer a stranger.

ERIC
Sorry, buddy. Not buying it.

WULFGANG
No? Suit yourself.

Wulfgang puts a hefty amount of white powder between his thumb and pointer finger and hoovers the whole thing. Eric turns around.

ERIC
Yea, I like coke.

Wulfgang hands Eric the bag. He takes out his keys and does a bump. Eric extends his hand.

ERIC(CONT'D)
Eric.

They shake. Eric does another bump, gives the bag back and washes his hands.

ERIC(CONT'D)
So, where are you from, Wulfgang?

WULFGANG
Hamburg.

ERIC
Germany? The hell are you doing here?

WULFGANG
I have a proposition for you.

Eric turns the faucet off and looks at Wulfgang.

ERIC
Um. Ok. Came all the way from Hambur--

WULFGANG
--You see that woman out there?

Wulfgang cracks the bathroom door revealing the woman at the end of the bar.

WULFGANG(CONT'D)
That is my wife.

ERIC
Cool. Good for you, man.

Eric gives Wulfgang a friendly pat on the shoulder.

WULFGANG
She wants to sleep with you.

ERIC
Oh. Uhh... sorry?

WULFGANG
No need to apologize... I want you
to... and I would like to watch.

Eric LAUGHS. Wulfgang is stone faced.

ERIC
Fuck off... seriously?

WULFGANG
I do not joke when it comes to my
wife.

ERIC
I'm sorry, I just... What's the catch
here?

WULFGANG
No catch. She wants to fuck. I want to
watch. I can pay you. And...

Wulfgang puts the bag of coke in Eric's jacket pocket.

WULFGANG
There is plenty more where this came
from. Think about it. I expect a
response within the hour.

Wulfgang walks out of the bathroom, leaving Eric to soak this
in.

INT. DIVE BAR - MOMENTS LATER

Eric walks out of the bathroom and sits on his stool, staring
at nothing. A fresh beer is in front of him.

ALLEN
Knocking two bucks off. Only because
you may die after tonight.

ERIC
Hey, Allen.

ALLEN
Yea?

ERIC
What would you do if someone offered
you money to, uhh, sleep with their
wife... as they watched?

ALLEN
Hmm. Depends, I guess. Is she good
lookin'?

ERIC
If you're into old leather couches
with lipstick.

ALLEN
Can't say I am... I'd probably take
the money and run. Dude's gotta have a
screw loose if he wants to watch his
wife get plowed. But, to each his own.

Allen helps another customer. Eric looks towards the couple.
They're talking amongst themselves. Wulfgang's wife glances
over at Eric and smiles. He takes a deep breath.

ERIC
(to himself)
I guess it's time to grow the fuck up.

He chugs his beer, and walks over to them.

ERIC
How much?

WULFGANG
Eric... This is Nadia.
(to Nadia)
Nadia.... Eric.

Nadia extends her hand, expecting Eric to kiss it. Eric looks
at it and shakes.

NADIA
Pleasure.

ERIC
(to Nadia)
... Indeed.
(to Wulfgang)
You mentioned that you'd pay. How much?

WULFGANG
Come with us to find out.

ERIC
Listen, I don't know how they do things in Hamburg, but I'm not about to hop in a car with you guys... unless you tell me. How. much.

NADIA
(flirty)
Ooo. This one's got an attitude.

Wulfgang smiles back at her. He digs into his coat pocket, takes some cash out from his wallet, and slyly hands it to Eric.

WULFGANG
Some now. The rest... when we get to my place.

Eric looks down at the small wad of hundreds and looks back at Wulfgang.

INT. CAB - NIGHT

Eric, Wulfgang, and Nadia are in the back of a cab.

NADIA
So, Eric, what is it that you do?

ERIC
I'm uhh. I'm a writer.

WULFGANG
A writer?... Perhaps, you will write about us one day.

Wulfgang and Nadia SNICKER. Eric CHUCKLES and stares out at the passing houses as they get bigger and bigger.

INT. WULFGANG'S MANSION - NIGHT

Wulfgang's mansion is extravagant, covered in beautiful decor and art. An odd amount of phallic sculptures sprinkled in. Nadia kisses Wulfgang and walks upstairs. Eric checks out one of the paintings. Wulfgang walks over.

WULFGANG

This one is an original Kandinsky. Are you familiar with his work?

ERIC

Oh, yea. Big fan. So, not to be a downer, or anything, but when can we work out the, uhh, rest of the payment?

WULFGANG

Ah. Of course.

Wulfgang takes an envelope from a nearby drawer. He walks over to a painting and removes it. Behind the painting is a safe. After putting a code in, he takes stacks of money out, puts it in the envelope, and puts the painting back.

WULFGANG(CONT'D)

I hope five thousand will suffice.

ERIC

(excited)

Yes. That'll definitely suffice.

He walks back. Eric goes to grab the envelope. Wulfgang pulls it away.

WULFGANG(CONT'D)

After the deed is done.

Wulfgang puts the envelope in his jacket pocket. Eric looks at the door and SIGHS.

ERIC

Makes sense.

WULFGANG(CONT'D)

Come. Let us chat in my coke room as Nadia gets ready. Loosen that tight ass up.

ERIC

Wh-... You have a coke room?

WULFGANG
Doesn't everybody?

Wulfgang walks towards the stairs.

ERIC
(to himself)
Where the hell am I.

INT. WULFGANG'S MANSION - STAIRCASE - CONTINUOUS

Wulfgang and Eric walk up the large staircase.

WULFGANG
And that one is an original Dali.

ERIC
How do you afford all of this?

WULFGANG
I inherited my fathers empire when he passed.

ERIC
Huh. No shit.

WULFGANG
Yes shit.

ERIC
What kind of business was he in?

WULFGANG
Rubber.

ERIC
Oh, so, like, tires and stuff?

WULFGANG
Dildos and faux vaginas.

ERIC
Ah.

INT. WULFGANGS MANSION - COKE ROOM - CONTINUOUS

This room is just as beautiful. A large book shelf covers half of it. The other half is a bar stocked with aged liquor. A reflective table is in the middle of the room.

ERIC
--So, you're pretty set.

WULFGANG
Yes, well.
(shakes head)
If certain people in this American government had their way, they would try and take away so much of what I have worked for.

ERIC
Yea, it would be a shame to lose--

Eric points to a disturbing sculpture.

ERIC(CONT'D)
--Whatever the fuck that is.

Wulfgang throws his jacket on a chair and goes behind the bar. Eric sees the envelope sticking out of the pocket.

WULFGANG
Is whiskey your drink of choice?

Eric looks over at Wulfgang.

ERIC
Uh. Yea.

Wulfgang hands him a glass. He raises his.

WULFGANG
Cheers! To a new friendship.

Eric raises his glass with a forced smile. Wulfgang places his glass on the table and walks over to the book shelf.

WULFGANG
I hope you don't mind. It's only aged fifteen years.

ERIC
I'll have to manage, I guess.

Wulfgang pulls down on one of the books. It opens up to a whole other room.

ERIC
What the f--. Dude, your house is like an episode of *Scooby Doo*.

He comes back with a large bag of coke.

WULFGANG

(laughs)

Yes. I had it designed to hide my possessions properly.

He dumps it onto the table.

WULFGANG(CONT'D)

Take a seat! Get comfortable. I like to get to know a man before he enters my wife.

ERIC

... Alright.

Wulfgang breaks it up into lines and rolls up a hundred.

WULFGANG

So tell me, Eric. What have you written? Anything I would know?

Eric sits on the chair across from Wulfgang and sips his drink.

ERIC

I doubt it. Mostly stories about the unfair hierarchy and humanities need to over consume.

WULFGANG

Hmm. Very deep.

Wulfgang does his line.

ERIC

I've written some poems as well.

WULFGANG

Ah! A poetry fan.

Wulfgang hands the bill to Eric.

WULFGANG

The gods will offer you chances. Know them. Take them. You can't beat death, but you can beat death in life, sometimes. And the more often you learn to do it, the more light there will be. Your life is your life.

(MORE)

WULFGANG (CONT'D)
Know it while you have it.

Eric does a line. He SNIFFS and rubs his nose.

ERIC
You like Bukowski?

WULFGANG
He fascinates me. So raw. So unapologetic. He finds the beauty in living in squalor.

Eric hands the bill over to Wulfgang.

ERIC
(taken aback)
Yea... Yea, exactly! He's probably one of my biggest influences.

WULFGANG
You know, I have friends in the literary world that are always looking for fresh talent. I could give you their information, if you'd like.

Wulfgang does a line.

ERIC
Holy shit. Wh-. Are you serious?

WULFGANG
I am not one to jerk chains, Eric. Here.

Wulfgang takes his phone out. He scrolls through and tosses it to Eric.

WULFGANG
That is Ronald's phone number. He's an agent.

ERIC
(excited)
Wow. This would. This is amazing.

Eric takes his phone out and puts the number in. Wulfgang sips his drink.

WULFGANG
Make sure you tell him Nadia gave you
(MORE)

WULFGANG (CONT'D)
the number.

ERIC
Why wouldn't I tell him you gave it to me?

WULFGANG
We had a quarrel. Last spring he scoffed at my petunias.

ERIC
Oh. Uh. What a dick.

WULFGANG
I know. So, in return, I defecated on his...

Beat.

WULFGANG(CONT'D)
Don't let that stop you from contacting him, though. He's an amazing agent.

ERIC
Right. Uh, thanks again... I'm sorry, I honestly... Going into this, I figured you were just a rich asshole with a strange fetish. You're actually... pretty damn cool.

WULFGANG
(chuckles)
No need to apologize, Eric. I like you. When you write about this, make sure you emphasize the coolness, eh?

Eric SMILES. Wulfgang CLAPS and rubs his hands together.

WULFGANG(CONT'D)
Now! Enough chit chat. It's time for us to head into the bedroom so you can fuck my wife.

Wulfgang slaps Eric's knee and walks out of the room with his jacket and drink. Eric stares at the table, takes a deep breath, and sets up a line.

INT. WULFGANGS BEDROOM - NIGHT

More beautiful decor and art. The biggest piece being a painting of a shirtless Wulfgang triumphantly riding a stallion with Nadia holding on to him. Nadia's laying on the king sized bed in her robe, sipping wine. Wulfgang opens the sliding door and walks in.

WULFGANG(CONT'D)
(overjoyed)
My love. You look stunning.

He gives her a kiss. Eric walks in, awkwardly.

ERIC
So, uhh.
(clears throat)
Do we just...

WULFGANG
Treat my wife like a lady, Eric. She
is quite the sight. Don't you agree?

ERIC
I mean, yea. She's... she's beautiful.

WULFGANG
Seduce her.

NADIA
Strip for me. Give me a show.

Wulfgang puts on some romantic music and sits in a chair in the corner. Eric looks around. He throws his jacket on a nearby chair. He slowly takes off his shirt. It gets stuck. He rips it off, acting as if those were his intentions. He unzips his jeans. He struggles to take his pants off, so he takes a seat in the chair.

ERIC
There's really no way to make this
part sexy.

WULFGANG
I'm turned on.

He gets his jeans off. Nadia wags her finger to come into the bed. Eric slowly grooves his way over.

WULFGANG
That's it, Eric. Embrace the marvel,
(MORE)

WULFGANG (CONT'D)
that is my wife.

ERIC
Are you... are you gonna talk this
whole time?

Wulfgang puts his hand over his mouth.

WULFGANG
Oh, I am sorry. I will just be a
spectator. I promise.

Eric lays on the bed. He takes Nadia's arm and kisses it from her hand up to her shoulder. He goes to her cheek and goes for her lips. She pulls away.

NADIA
I feel like... something is missing.

ERIC
Wh-what? Was that not--

NADIA
--I know.

She leans over and pulls a thong out of her dresser drawer.

NADIA(CONT'D)
Do all that again... but with this.

She tosses it in his face.

ERIC
(laughs)
A thong? You want me to wear a thong?
I don't really... I don't know about
that.

NADIA
Wulfgang?

Wulfgang takes money out of his wallet, puts it into the envelope and lays it on the table next to him. Eric SIGHS.

ERIC
I will... return shortly.

CUT TO:

Eric stands in the doorway, wearing the thong.

ERIC
Is this... is this really necessary?

NADIA
Ah, that is much better.

Nadia claps. Eric adjusts himself.

NADIA
Now do a little dance for me again. I liked that.

WULFGANG
Yes, Eric. Flaunt what you got.

Eric attempts a sexy dance, slowly moving his way towards the bed. He climbs in, kissing her feet, making his way up to her belly button. Nadia MOANS. He's getting into a groove now. He moves up to her neck, then her cheek, then her lips.

Over his shoulder, Wulfgang slowly creeps behind, shirtless, wielding a massive dildo. He climbs onto the foot of the bed. Eric notices and turns around.

ERIC
Woah! no no no. We did not agree on this. That is... massive.
(to Nadia)
You want me to use that thing on you?

NADIA
(smiling)
That is not for me.

WULFGANG
C'mon, Eric. Live a little!

Wulfgang shakes the dildo. Eric jumps off the bed.

ERIC(CONT'D)
Ok. There's a line. I have my limits. This is one of them. No butt stuff. I came here to simply sleep with your wife as... you watched. Nothing more.

Eric goes towards the exit. Wulfgang jumps in front of him.

WULFGANG
Ah ah ahhh! You are not getting away that easily.

ERIC
C'mon, Wulfgang. I'm serious. I'm
not... that's not what I'm here for.

Wulfgang wags the dildo. He tries poking Eric's face with it.
Eric slaps it away.

ERIC(CONT'D)
(smiling)
Stop it. I'm serious, man. That's...
That's not funny.

WULFGANG
Your smile says otherwise!

Eric runs out of the room. Wulfgang chases him. Nadia LAUGHS.

INT. WULFGANGS MANSION - HALLWAY - CONTINUOUS

ERIC
(laughing)
Get out of here with that thing!
Cocaine and running don't mix!

INT. WULFGANGS MANSION - COKE ROOM - CONTINUOUS

Eric runs around the table. He trips over the rug, ruffling
it a little. He gets behind one of the couches. Wulfgang
crouches with the dildo. Nadia runs in, LAUGHING.

WULFGANG
You can't get away from me!

He flings the dildo at Eric. Eric ducks out of the way and
picks it up.

ERIC
My my my! How the tables have turned.

He jumps over the couch and chases Wulfgang with it now. They
run around the room.

ERIC(CONT'D)
Get over here, you son of a bitch!

WULFGANG
(laughing)
My mother was a bitch!

Wulfgang trips over the ruffled rug. He slams his head into
the corner of the coke table. Eric stops.

Beat.

ERIC(CONT'D)
W--Wulfgang?

Eric slowly walks over to Wulfgang's body. His head's bleeding profusely and his body's twitching. Nadia SCREAMS.

ERIC(CONT'D)
Holy shit.

Eric stands there, in a thong, with a giant dildo in his hand. He looks at the body, then at Nadia. She rushes towards Wulfgang.

NADIA
Wulfgang!!!

ERIC
I didn't... he just. He'll be ok, probably.

He tosses the dildo, and runs out of the room.

INT. WULFGANGS MANSION - BEDROOM - CONTINUOUS

He grabs all of his belongings and the envelope on the dresser.

INT. WULFGANG'S MANSION - STAIRCASE - CONTINUOUS

Eric runs down the stairs. Nadia's still SCREAMING in the other room. He stops. He looks at the door and then at his phone. He SIGHS.

ERIC
God dammit.

He dials 9-1-1 on his phone and takes the pain med from his jacket pocket.

INT. WULFGANGS MANSION - COKE ROOM - CONTINUOUS

Nadia is crying and holding Wulfgang's body. Wulfgang is MUMBLING. Eric runs in with his shirt in hand.

ERIC
(to Nadia)
I called an ambulance. They should be here soon. I need you to get a towel to put pressure on the...

He sees the awful wound and grimaces.

ERIC(CONT'D)
Horrifying... gash.

Nadia runs out of the room. He grabs a bottle of liquor.

ERIC(CONT'D)
And, uhh, maybe some bandaids!

He kneels beside Wulfgang. He puts a pain med in Wulfgangs mouth and chases it with liquor. He puts his shirt on the wound.

ERIC(CONT'D)
This should help numb the pain. I sort of have to get out of here incase any cops sho--

Wulfgang MUMBLES.

WULFGANG
--Remember... if you meet Ronald... don't defecate on his petunias... he... he was not pleased with me.

ERIC
Alright. I... definitely won't. I'll just... glare at them.

They both SMILE at each other.

ERIC(CONT'D)
When you get out of the hospital. I'd love another drink. Maybe... hold off on the sex with your wife part.

WULFGANG
I'd like that.

Nadia runs back in and puts the towel on Wulfgangs head. She also has duct tape.

NADIA
(hysterical)
I could not find a bandaid, but I found this!

Eric looks up at her and shakes his head.

EXT. STREET - NIGHT

Eric runs along side some mansions. An ambulance flies by. He slows down to catch his breath. He makes eye contact with a DOG WALKER across the street who has a look of confusion and fear. Eric looks down to see he's still wearing the thong along with a bloody shirt. He stops in front of a house and quickly puts on his pants and jacket.

CUT TO:

INT. FAMILY HOME - NIGHT

A HUSBAND sits on a chair, reading. His WIFE comes in with her own book and notices movement outside. She takes a look out of the window and sees Eric putting his clothes on in their front yard.

WIFE

Honey... there's a young man in our front yard wearing women's underwear. He seems... frazzled.

HUSBAND

That's nice, dear. Did you take your valium?

CUT TO:

INT. DELI - NIGHT

A DELI CLERK is behind the counter, watching videos on a propped up phone. Eric comes in, covered in blood and out of breath.

ERIC

(panting)

Hey... uh, can I use the bathroom real quick?

The deli clerk nods and points to the corner.

ERIC

Thanks.

Eric walks towards the bathroom. The thong is showing. The clerk notices, SHRUGS, and looks back at the phone.

INT. DELI - BATHROOM - CONTINUOUS

Eric comes in, locks the door, and runs the faucet. He washes the blood off his hands and splashes his face. He looks in the mirror. He takes a look inside the envelope and the agents contact info in his phone. He puts his jacket on and stuffs the envelope in the inside pocket. He feels something else in there. The coke that Wulfgang gave him at the bar. He looks in the mirror again and SHRUGS.

INT. DELI - SAME TIME

The clerk hears a large SNIFF. Moments later, there's a FLUSH and Eric walks out. He grabs a six pack, walks to the counter, and puts down a twenty. He walks towards the door.

DELI CLERK

Hey. Buddy.

Eric looks over at him. The deli clerk looks around and shows off the thong he's wearing.

HUSBAND CLERK

No judgement.

INT. ERIC'S ROOM - NIGHT

Eric walks in and puts the envelope in his dresser and tosses his jacket on the floor. He takes one of the beers, cracks it open and has a good, long drink. He grabs the laptop off the desk. He lays on his bed and opens it up, revealing plane ticket prices to California. He switches it over to a blank document. He smiles, takes another swig, and types... **"An Evening With Wulfgang: Big Heart. Bigger Dildo"**.

FADE TO BLACK:

THE END
