

FADE IN:

INT. OFFICE - DAY

A busy office. Close up of office supplies. Phones RING. Copies are made. Coffee drips. Most in their cubicles. Basic office hullabaloo.

INT. WATER COOLER AREA - DAY

SAM and LARRY are conversing by the water cooler.

SAM
--and it turns out... quiche is a lot more complicated than I thought.

LARRY
Hm. Who knew.

SAM
(chuckles)
Right?
(sips water)
How was your weekend?

LARRY
Ah, yanno. Same ol' same ol'. Did a bit of grocery shopping. Took advantage of those sales.

SAM
--Preach--

LARRY
--Spent some time with the inlaws. Blew some farts into my wife's face. Took my kid to his soccer game...

SAM
(clears throat)
Uh, what was that?

LARRY
My son's in this indoor soccer league.

SAM
No. Before that. Something about you... blowing farts into your wife's face?

LARRY
Oh. Yea. That's our thing. Like, our
fetish.

Beat. Sam looks around awkwardly

LARRY(CONT'D)
Do you... not have a fetish?

SAM
Uhhh. No.

LARRY
Oh. Wow. I thought everyone did.

SAM
Not me.

LARRY
Most of this office does.

SAM
Wh-- really?

LARRY
Oh, yea.

They turn to the people in the office.

INTERCUTS

LARRY(CONT'D)
See Miranda over there? The only way
she can get off is if she gets slapped
across the face with a ham-hawk while
wearing a dog collar.

Miranda sits in her cubicle.

LARRY(CONT'D)
And Marcus. Marcus masturbates to
people sitting on balloons.

Marcus looks out his office window looking toward the
mailroom.

SAM(O.S)
(stunned)
Wha- Is that why he always takes the
balloons home after the office
birthday parties?

LARRY(O.S)
Mhmm. That's also why he stays away
from the mailroom. The bubble wrap is
a trigger.

Cut back and forth getting closer to both Marcus and the
mailroom. Sweat drips. He quickly shuts the blinds and the
door locks.

SAM
(amazed)
What about... Tom?

LARRY
Masochist.

Shot of Tom with a black eye.

SAM
Huh. I figured he was in, like, a
fight club or something.

LARRY
Nnope.

SAM
Will?

LARRY
Wax play.

SAM
Beth?

Beth scrolls through her phone in the break room.

LARRY
Cuckolding.

SAM
Craig?

Craig sits in his cubicle.

LARRY
Necrophilia.

Sam looks horrified. Craig just sniffs.

SAM
Wh- are you... are you seriou--

LARRY
--And Al... Al's a gimp.

CUT TO:

SHOT OF AL - standing by the copy machine. He's reading some papers, looking around and then back at them.

SAM(O.S)
Al's a gimp?

LARRY(O.S)
Big time.

SAM(O.S)
Wow. He doesn't... look like one.

LARRY(O.S)
They never do.

AL
What?

BACK TO: Sam shakes his head.

SAM
Son of a bitch.

LARRY
Oh, yea. Were... were you not at the Christmas party?

SAM
I had to leave early.

LARRY
(chuckles)
Makes sense.

They both sip their water.

SAM
Yanno, now that I think about it. I, uhh, think I have one.

LARRY
Spill.

SAM
I kind of like... feet

Beat.

LARRY
Feet?

SAM
Uhh. Yea.

LARRY
Like... what? Licking them or something?

DAN
Sure, or just kind of, like, I don't know. Massaging them. Maybe a... foot job--

LARRY
--A foot job?

SAM
Yea.

Larry grimaces.

LARRY
(disgusted)
That's, uhh. I have to, um. File. Things.

Larry walks away. Sam stands there. CRAIG walks by and fills up a water cup.

CRAIG
Hey.

SAM
...Hey.

CRIAG
I, uhh... I like feet, too.

Sam stares at Craig

SAM
That's... nic--

CRAIG
--As long as it's on a corpse--

DAN
Right. Let's just. Get back to work.
